Project Management, Paperback by Maylor, Harvey, ISBN 1292237066, ISBN-13 9781292237060, Brand New, Free shipping in the US

Project Management-Harvey Maylor 2011-07-21 Project Management is a fast-growing and increasingly 'professionalised' discipline with record numbers of practitioners now gaining the PRINCE qualification. The formal tools and techniques of project management are being applied in an ever-wider range of industries and organisations. As a ...

Description. Project Management is a fast-growing and increasingly 'professionalised' discipline with record numbers of practitioners now gaining the PRINCE qualification. The formal tools and techniques of project management are being applied in an ever-wider range of industries and organisations. As a mainstream skill, critical to business success, and under closer scrutiny for the benefits it delivers, it's important the students of today - and practitioners of tomorrow - can ...

Combining a strong academic approach with relevant practical cases, the text skillfully shows the range of issues that face project managers through the logic of the 4-D project cycle. Project Management is used extensively to accompany courses on undergraduate, masters and MBA programmes, as well as for in-company training and for professionals wanting to bring themselves up-to-date with ...

Synopsis Project Management is a fast-growing and increasingly professionalised discipline with record numbers of practitioners now gaining the PRINCE qualification. The formal tools and techniques of project management are being applied in an ever-wider range of industries and organisations.

PROJECT Management Fourth Edition Project Management is a fast-moving and increasingly widespread discipline with record numbers of practitioners now gaining professional qualifications Delivering projects on time and within budget is critical to business success and the skill, therefore, is highly valued in graduates and managers alike Drawing on Harvey Maylor's 20 years of teaching ...
