Lost in the mirror I knew your face once, but now it's unclear And I can't feel my body now I'm separate from here and now It's pulling me apart, this time Everything is never ending

Rihanna - Never Ending

When Smith breaks the mirror with a shovel, it is no longer a mirror, just plain glass. If the above sentence is true, then why can the horns of the animals that are around the mirror still be seen in the mirror. Also, you can very clearly see the reflection of the sand in the piece that comes loose and swings out. See more »
