Wake Up and Live! is a practical handbook for everyone who wants to find success and happiness in life. Simply written and easy to read, it shows you how to overcome the obstacles that are holding you down. A remarkable woman in publishing during the 1930s, Dorothea Brande served as associate editor of 'The American Review' and also wrote the enduring classic 'Becoming a Writer'.

How to Find the Strangest Secrets Hidden in Plain Sight In Earl Nightingale's Gold recording, he referred to what he considered key references for anyone who really wanted to understand the concepts he was discussing: "...read books that will help you - inspirational books like the Bible, Dorothea Brande's 'Wake Up and Live', 'The Magic of Believing' by Claude Bristol, 'Think and Grow Rich" by Napoleon Hill, and other books that instruct and inspire." During my own studies, I did just that - searching through the Internet to find copies of these books in order to see what he was talking about. Here I've brought back these three classics for your study as a set (leaving out only the Bible - as you probably have a copy already.) These are tools to help you on your journey. For once you've completely mastered this ""Strangest Secret"" life opens up to you and gives you whatever it is that you've ever wanted and dreamed of. (From the Introduction) Get Your Copy Now!

"If you understand completely what I am going to tell you, from this moment on, your life will never be the same again."--Earl Nightingale This amazing message was first played for a group of salespeople at Earl Nightingale's insurance agency. They were utterly electrified. Word of it spread like wildfire, and everyone who heard it was positively ignited into action. Requests for a recording of the message came pouring in--thousands of requests per week. Within no time, more than 200,000 people had called, written, or just walked right into Earl's office to request a copy. As years went by, that number soared above 1,000,000. Today, more than 65 years later, The Strangest Secretremains one of the most powerful and influential messages ever recorded. Now in print, updated with never before published content and a foreword by Dave Ramsey, The Strangest Secretwill inspire anyone in your organization to truly understand how to get from where you are to where you want to be.

Essential reading for any would-be entrepreneur Blueprint to Business is the ultimate guide to becoming a successful entrepreneur. Bestselling author and CEO Mike Alden puts aside the rainbows and sunshine, gets real about what it takes to 'make it,' and gives you the real-world guidance you need to hear. Through anecdotes and advice, he shares his experiences along with those of other top founders and entrepreneurs to give you a realistic picture of what it takes to build a business. It's a bit of tough love, a healthy dose of reality, and a tremendously motivating guide to striking out on your own; from motivation and commitment to business licenses and the IRS, this guide is your personal handbook for the biggest adventure of your career. So you want to start a business: how much are you willing to commit in terms of time, money, and energy? How do you plan to bring in customers? What will set you apart from the crowd? What will convince clients to come to you rather than your competitor with an established track record? These questions must be answered before you even begin planning—and then, you have to make that canyon-sized leap from planning to doing. This book guides you through the early stages with practical advice from a real-world perspective. Turn 'dreams' into goals, and goals into reality Discover just what it takes to build a successful business Dig into the paperwork and legal/regulatory requirements Adjust your expectations to reflect your abilities and willingness to commit Starting a business could be the best thing you've ever done—or it could be the worst. Mitigate the risk by setting yourself up for success from the very beginning with the invaluable advice in Blueprint to Business. Praise for Blueprint to Business "I've had the opportunity to work directly with Michael Alden on his children's book. His business know how and ability to get things done is unparalleled." —Naren Aryal, CEO Mascot Books. "As an entrepreneur and author myself, I would recommend Blueprint to Business to anyone who is in business or looking to start a company. Michael Alden's no nonsense approach is much needed for anyone who wants the real truth about the life of an entrepreneur." —Ken Kupchik, author of The Sales Survival Handbook Cold Calls, Commissions, and Caffeine Addiction The Real Truth About Life in Sales "Michael Alden's story is truly inspirational. He has seen some extremely difficult times and has overcome extraordinary odds along his journey. He harnessed what he learned even as a young child to achieve great business success. The lessons in Blueprint to Business not only help those in business but it is for anyone who wants more out of life." —June Archer, author of YES! Every day can be a good day: The Keys to success that lead to an Amazing life “As a young entrepreneur, I have found that truly successful people help and teach others. Michael Alden has taken the time to help me with my business and my book. His experience is undeniable and I would recommend Blueprint to Business to any entrepreneur who wants to learn from someone who has done great things and continues to.” —Casey Adams, social media influencer and author of Rise of The Young: How To Turn Your Negative Situation Into A Positive Outcome, and Build A Successful Personal Brand “Being an entrepreneur has its challenges. Michael Alden shares his business experiences to help others succeed. His advice and enthusiasm is directed towards teaching and leading through example. Wirth, entrepreneur, speaker, trainer, coach and host of the No Quit Living Podcast “I've known Mike for over ten years. I have had the opportunity to work very closely with him on dozens of transactions. His ability to get things done and work through obstacles is second to none. When most people would give up, Mike figures out a way to get things done.” —Jim Shriner, television personality and author of Live Disease Free Naturally.

An unabridged edition to include the text from both the audio and subsequent video version of Earl Nightingale's 'The Strangest Secret, ' considered one of the greatest motivational works ever compiled

With complete certainty, I can tell you now - from my more than half-century of existence: Any and all successes, as well as all my disappointments are directly traced back to the principles in this book. For any set-back or failure, I either didn't know these principles, didn't understand their power, or simply ignored them. For every success, I have tracked back to taking these exact steps laid out in this book - to achieve, acquire, or attain whatever it was I wanted to be or have. And that experience is why I'm bringing out this short book you can have to carry with you and review regularly. Inside Earl Nightingale's original "Strangest Secret" recording, he mentions several books that support these ideas. If you put them together, the length is around 700 pages of text. What you are reading here is under a hundred. And this is designed to be slim and still contain the power of the best references that can educate and reinforce the key success principles Nightingale tested, then recorded in 1956. That one 78 RPM long-playing disc was the first Gold Record for a spoken-word album. And started an entire industry of recorded self-improvement books. Nightingale was a lifelong student of success. First retiring at the top of his field in his 30's, he went on to make several successful careers after that as an entrepreneur. And credits his breakthrough success to finding a copy of Napoleon Hill's "Think and Grow Rich" in a Chicago book store. By that weekend, he had discovered in that book his now-renown strangest secret - "We Become What We Think About." A review of Hill's book by Nightingale is included here as an overview, along with Hill's key 6-step formula that 10-x'd Nightingale's own income in a matter of months - and then, as a simple test, 10-x'd it again a few months after that. You won't find anything unproved here. Nothing but classic, trusted, core essays that remind you of the other references that have positively affected your life. And what you won't find here is anything beyond the pared-down basic material. This book is short, to the point, and well--worth studying over and over and over - in the short spaces of time you have. The additional essays by Earl Shoeff and J. B. Jones are built from Jones' distilling Hill's material into an even simpler format - after he tested them by starting in his living room and building a 8-figure national corporation within 5 years. When you complete your reading, it's just in time for you to start over and internalize everything covered here by re-reading all over again. Over and over, until you know them by heart. This also means you should test everything you find here. Just because so many people have

been rave about every essay or short book included here, doesn't mean you are going to get that same result. Test, study, and test again. Build your faith, burnish your goals until they shine bright as if burning with an inner flame. Your results are what you make them. Just as you become what you think about all the time. Fill your mind with these few principles, and you may very well be able to fill your life with unlimited success. Here's hoping you do. Scroll Up and Get Your Copy Now.

Here's a sobering statistic: by the age of 65, on average only 5% of us will have achieved success. "Yeah, right. . ." you might say, "Success is subjective; there is more than one version of what it means to be successful." The author of this book disagrees with you. Along with Jeff Bezos, Bill Gates, Warren Buffet, Mark Zuckerberg, and all the other billionaires on earth. Here is the absolute, best definition of what it means to be successful: success is the progressive realization of a worthy ideal. In other words, success is when an individual who knows what they want to do works towards achieving their dream. That sentence alone gives you clues into the strangest secret on how to achieve a life of prosperity and success. The key is setting a goal, creating a plan to achieve said goal, and following through. Written by Earl Nightingale, who in 1941 was aboard the USS Arizona during the attack on Pearl Harbor. Mr. Nightingale was just one of the fifteen surviving Marines. This experience, combined with the maxim "As ye sow, so shall ye reap," inspired Mr. Nightingale to embark on a new path, anchored in the philosophy that each of us becomes what we think about. We become what we think about--is an idea that has echoed through the ages, from the Bible to preeminent thinkers of today. Despite this, most of us choose to ignore this precept. THINKUPMAN introduces The Strangest Secret, rewritten in a fun and easy-to-understand way for modern audiences, whether they're in their high school years or golden years. With fun and insightful illustrations, comic strips, and everyday English, audiences new to this inspiring and penetrating totem as well as those familiar with the text will be pleased at this entertaining and life-changing slender volume, as presented by THINKUPMAN. If you've ever thought, "life is so unfair!" this book is for you. If you're ready to stop waiting for luck to happen, and instead get out there and pursue the favorable circumstances you desire, this book is for you. If you're ready to think with positivity and focus to realize your goals, this book is for you. If you're ready to rise above mediocrity and become the person you want to become, this book is for you. If you're ready to, at age 65, look in the mirror and say, "I'm a success!" then this book is for you. This book is for everyone, because all of us at one point or another have complained about our circumstances, blaming "bad luck" or "fate." We often ask why others achieve so much and work half as hard, while we achieve so little? The difference of course is that those 5% took The Strangest Secret to heart and lived its philosophy. This simple, yet positive book will show you how to seize each day and create a life of fulfillment and success.

This is a collection of Earl Nightingale's writings, broadcasts, and conversations on various aspects of personal development.

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

The one-and-only original, Earl Nightingale's Strangest Secret endorsed by Nightingale Conant. The Strangest Secret is much more than a wealth-building tool; it is a manifesto for self-actualization and purpose-driven work. In Nightingale's own words: "The only man who succeeds is the man who is progressively realizing a worthy ideal." In this book, Nightingale distills his lifetime of research on human motivation into a simple success formula—the very same one that propelled his own achievement. The Strangest Secret is a practical guide for accelerated prosperity so that you can quickly rise to the top, becoming one of the top 5 percent who succeed in your field. Challenge yourself with Nightingale's thirty-day test for putting this secret success formula into action in your life, and chart your own path to productivity, financial independence, and personal fulfillment. Having grown up during the Great Depression, Earl Nightingale was fascinated by the difference between those who attain high levels of personal, professional, and financial success and those who do not. He devoted his life to searching out a recipe for achievement—a means of predicting success in any area of life. While reading the line in Napoleon Hill's Think and Grow Rich that "we become what we think about," Nightingale experienced a watershed moment of self-discovery that resulted in his becoming financially independent by the young age of thirty-five. Make this book your catalyst to the transformation you seek.

From the author of The Strangest Secret, based on the motivational speech heard by millions We become what we think about. Earl Nightingale was in a lookout tower on the Battleship Arizona at Pearl Harbor and was one of only a few hundred who survived. He felt that he had been spared for some reason and became obsessed with learning why some people were successful and others were not. He knew that millions of people around the world are frightened, confused, and surprised in life—they don't understand the basic law for success, which is this: we become what we think about. Filled with equal parts inspiration and practical advice, this book is for anyone seeking their "true north" and reveals how you should go about discovering what that is in order to achieve meaningful success in life. Not the kind based on wealth, fame, and popularity, but the kind that you feel inside your soul, that intrinsically drives you to be the best version of yourself, each and every day. In The Six-Word Secret to Success, you will find decades of motivation packed into a short volume that you'll want to read over and over again.

This two-in-one volume contains "The Strangest Secret" by Earl Nightingale and "Think and Grow Rich" by Napoleon Hill. Those who follow these texts will find that the floodgates of abundance will open and pour out riches.

Known as the "Dean of Personal Development," Earl Nightingale broadcast his radio programs for more than three decades on over 1,000 radio stations in twelve countries around the world, making him one of the most listened-to broadcasters in history. An inductee into both the Radio Hall of Fame and the International Speakers Hall of Fame and a winner of the prestigious Golden Gavel Award, he dedicated his life to helping others achieve personal success, co-founding Nightingale-Conant, a world leader in personal development. Combining his personal insight with wisdom from the greatest minds in history—from the ancient Greek philosophers to contemporary thought leaders—he provides original and creative commentaries on life and the ways of successful living. Now, for the first time ever, Nightingale's audio program The Direct Line is being offered in a beautifully packaged print edition. This book offers a practical guide designed to help you find real and lasting success in your career, relationships, and finances. The messages shared in it will help you begin the most exciting and rewarding journey on earth—your journey of self-discovery and personal fulfillment. In this life-changing book, you'll discover the importance of: Identifying and understanding your talents and abilities Learning from and overcoming failure Creative thinking Personal growth through knowledge Character building Living in balance And much more! Just as the success or failure of any business depends on its management, so the success or failure of a person depends on the way he or she manages himself or herself. The Direct Line will show you how to take control of your life and find happiness and contentment from the journey of striving toward your goals and cultivating a meaningful existence.

"The Strangest secret" is much more than a wealth-building tool: it is a manifesto for self-actualization and purpose-driven work." -- from back cover.

In Your Invisible Power, Genevieve Behrend will guide you through the use of visualization, teaching you how to manifest the things in life that you want by visualizing them and making them come to you. This power of positive thinking has revolutionized how we look at the world. Everything you need to succeed is inside you and this book will help you unlock it. The author was initially a student of the Christian Science movement until she read lectures given by Thomas Troward and became a student of his New Thought discipline known as Mental Science. In 'Your Invisible Power', Behrend explains in detail how to use the incredible mental power available to everyone to manifest and create what they most want.

Successful broadcaster and inspirational leader Earl Nightingale shares his surefire yet little known secrets for success.

Florence Scovel Shinn taught metaphysics in New York for many years. Her meetings were well attended and in that way she was the means of bringing the message to a considerable number of people. Her books have had a wide circulation not only in America but abroad. They seem to have a knack of finding their way to remote and unexpected places in Europe and other parts of the world. Now and again we meet someone who came into Truth through finding a Florence Shinn book in the most improbable location. One secret of her success was that she was always herself . . . colloquial, informal, friendly, and humorous. She never sought to be literary, conventional, or impressive. For this reason she appealed to thousands who would not have taken the spiritual message through the more conservative and dignified forms, or have been willing to read . . . at least in the beginning . . . the standard metaphysical books. She herself was very spiritual, although this was usually hidden behind a matter of fact and carefree treatment of her subject. The technical or academic approach was not for her. She taught by familiar, practical, and everyday examples. She had been by profession an artist and book illustrator before becoming a Truth teacher, and belonged to an old Philadelphia family. She left a collection of notes and memoranda which have been made into the present book. May it have a wide circulation. —Emmet Fox

Here's the secret in 3 steps: 1. Suspend disbelief as you read the following: 2. ""We Become What We Think About."" - Earl Nightingale 3. Then, decide that it's true. Now, the rest of your life, you'll be testing this for yourself. You may be asking questions like these: - Can you actually change what you think about? - Do positive thoughts create a positive personal environment? - By being critical of anything or anyone around you actually improve conditions? - Is your health affected by negative thinking? You'll find continuing instances of how this is true and how it might not be. You'll be "haunted" by this singular thought, although the results won't make you lose sleep - instead, you'll awake with fresh inspirations from time to time about how to live your life even better than you are now. Because you've just started on a journey which has no definite end. And Earl Nightingale once said: "Start today. You have nothing to lose - but you have your whole life to win."

"Half-demon Luo Binghe rose from humble beginnings and a tortured past to become unrivaled in strength and beauty. With his dominion over both the Human and Demon Realms and his hundreds-strong harem, he is truly the most powerful protagonist...in a trashy webnovel series! At least, that's what Shen Yuan believes as he finishes reading the final chapter in Proud Immortal Demon Way. But when a bout of rage leads to his sudden death, Shen Yuan is reborn into the world of the novel in the body of Shen Qingqiu--the beautiful but cruel teacher of a young Luo Binghe. While Shen Qingqiu may have the incredible power of a cultivator, he is destined to be horrifically punished for crimes against the protagonist. The new Shen Qingqiu now has only one course of action: get into Luo Binghe's good graces before the young man's rise to power or suffer the awful fate of a true scum villain!"--Back cover of Volume 1.

Earl Nightingale was America's key motivational speaker and 'The Strangest Secret' was his most successful work. This is a transcript of the original classic 1956 motivational speech. The text was later revised into a print version which Economist Terry Savage calls '...One of the great motivational books of all time.'

Are you a natural psychic and don't know it? Probably. Have you ever thought of somebody, the phone rings, and it's that person? Or perhaps you say something at exactly the same time as a friend says or thinks it. Most people have. This is your natural God-given intuition at work. This book will help you develop and learn how to use your natural ESP to help you in every area of your life. How often do you use your natural ESP? For example, have you ever experienced: *A hunch that pays off? *A dream with useful information? *Unexplained coincidences? Jose Silva's Everyday ESP, by Jose Silva Jr. with Ed Bernd Jr., will help you not only learn how to tap into the natural ability of ESP but it will also help you understand hidden information that you can use to make better decisions in all areas of your life. Please note: This is a companion version & not the original book. Sample Book Insights: #1 We live in a golden age, but if you take one hundred individuals who start at the age of twenty-five, and ask them whether they want to be successful, you'll notice that they are eager toward life. #2 The best definition of success is the progressive realization of a worthy ideal. If someone is working toward a predetermined goal and knows where they are going, they are a success. If they are not doing that, they are failures. #3 The only person who succeeds is the person who is progressively realizing a worthy ideal. He's the person who says I'm going to become this and then begins to work toward that goal. #4 The key to success is doing a predetermined job because that's what you've decided to do. Only one out of twenty people does that.
